MICROFAB STRUCTURAL  
STEEL MANUFACTURING LLC

DUBAI INDUSTRIAL CITY

---

## Brief about us

MICROFAB STRUCTURAL STEEL MANUFACTURING LLC is one of the emerging manufacturers of structural steel and metal works. Microfab has warehouse in the manufacturing hub of dubai in Dubai Industrial City. Microfab provides structural steel design,drawing, cutting, fabricating, welding, painting and erection services for structural steel works in construction Industry. We pursue international benchmarks to keep ourselves up with the latest technology and requirement. We have dedicated professionals to look after the wide spectrum of requirement of our client. We believe in sustained customer satisfaction so our team spares no effort in providing the best timely service.

---

### Our Mission

To achieve trust of our customers by providing quality products, timely service and exceptional value

### Our Vision

To provide highest quality by remaining committed to evolving technology and become Partner of Choice in the construction Industry.

---

### Why choose us

We use experience to create components that suits your specifications, on-time and within budget. We understand how important your time is and provide solutions that are efficient and cost effective. Any company can provide the standard package of fabrication services, but our commitment to quality and delivery speak will speak for themselves.
